– A Duxes Event

China International Insurance Congress

Distinguished guest speakers from Chinese government like National People's Congress (NPC), China Insurance Regulatory Commission (CIRC), and State Administration of Taxation and explained the latest policies and regulations in China's insurance industry. Top executives from leading companies of the insurance industry, including New York Life International, Allianz China, Generali Life, Munich Reinsurance, and Crawford, presented on topics pertinent to product customization in China insurance market, insurance appraisal, and reinsurance. Professionals from Deloitte, Watson Wyatt, Marsh, Celent shared their valuable opinions and experiences in risk management of insurance business.

As the first of its kind in China, the event provided a powerful forum for the sharing of information with numerous networking opportunities. Most of the attendees have thought this event a valuable one and have expressed their interest in attending the 2nd China International Insurance Congress in the future.
